

Farmington Hills Skate Park Information

The Farmington Hills Skate Park was designed by one of the best skate park designers in the country, Site Design Group. The 29,000 square foot all-concrete park will be host of local and national competitions and will become the area's premiere hotspot for skateboarders and in-line skaters. The unique design provides elements for skateboarders/in-line skaters of all skill levels, and spectators the opportunity to view the activity in a comfortable park like setting, for FREE.

The City of Farmington Hills Department of Special Services and a committee of dedicated residents, has a MISSION: to establish a premiere concrete skate park where skaters can exercise in a clean, safe environment without endangering people or damaging property. To develop a well-maintained park open to skaters who are willing to uphold the park's rules and regulations. To view this park as a community project, designed to satisfy the needs of skaters and families.

The Farmington Hills Skate Park is expected to attract over 200 skaters each day, in addition to the thousands of people who will visit the skate park for skateboard competitions and camps. Currently, 722,000 people visit Founder's Sports Park each year for various activities and events. 28,300 vehicles pass by Founder's Sports Park every day. The location of Founder's Sports Park will provide corporate and individual donors tremendous exposure!

The Farmington Hills Skate Park is being designed and built from money generated through corporate donations, small business support, fundraising events, and individual support. Our goal is to raise a total of \$850,000 by December of 2006, in order to build the Farmington Hills Skate Park in 2007.

Founder's Sports Park *For Kids* Michigan's Premier Recreation Facility

We are raising money to build one of the country's best skate parks and with that, will be creating Michigan's Premier Recreation Facility for Kids in Founder's Sports Park & Ice Arena Complex: having a skate park, ice arena, music venue (Club 2nd Floor), disc golf course, sand v-ball, b-ball courts, baseball, soccer, bocce ball, cricket, video games, camps, an after-school youth center, special events, tournaments and many other activities. We need your help to build something great for our community, especially those teens who say "there is nothing to do around here". We hope every resident in Farmington Hills and Farmington will support the cause by buying a brick for \$100. Become a part of history and make a difference in the lives of thousands of people, possibly yours.
